

Brittan School Emergency Information

When there is a power outage or other potential need to close school, please turn your radios to KUBA 1600 or KOOL 103.9. Our local radio stations will Broadcast vital information pertaining to school closures.

When there is a power outage, the phone system at the school does not operate. If you phone the school and do NOT get the standard greeting, you cannot be connected (unless we are there and are able to connect via the battery-backup). However that DOES NOT mean school will not be in session.

In emergency situations, when students are released early, teachers will be calling from the classroom to arrange pick-ups for students. If you have more than one child, all of the siblings will be in the oldest sibling's classroom.

Children will not be released without authorization of some type:

- Parent contact (phone or in person)
- Emergency contacts
- When a parent/emergency contact cannot be reached, a friend's parent may be asked to take your child.

NO CHILD WILL BE LEFT BEHIND UNATTENDED.

IT IS VERY IMPORTANT THAT THE SCHOOL HAS AN UP TO DATE LIST OF EMERGENCY CONTACTS ON FILE IN THE EVENT THAT A PARENT CANNOT BE REACHED. PLEASE INCLUDE LOCAL RESIDENTS (Sutter, Yuba City, Marysville, etc.) If an emergency arises whereby students must leave within a restricted amount of time, out-of-town phone numbers are useless.
