FIELD TRIPS AND ACTIVITIES

Field trips within our city and to nearby points of interest are scheduled by various classroom teachers throughout the school year. These trips are designed to supplement different aspects of the classroom curriculum, relate directly to subjects taught and to introduce students to the resources of the community. Parents will receive notices of field trips in advance of the scheduled trip date and will be asked to sign field trip permission forms. Fees may be requested from each student to help defray transportation or facility use costs. If Brittan School provides transportation, then all students are required to ride to the event on school approved transportation. All students will ride back to school on school approved transportation unless they are released to their parent/legal guardian by the school employee in charge. Special permission to ride home with an adult other than the parent/legal guardian must be arranged 24 hours prior to the student's leaving Brittan School for the event. A parent/legal guardian must request permission in writing. The name of the adult, date and method of travel must be listed. A phone number to confirm the note must be included. Written and verbal confirmations are required for the request to be considered.

FIELD TRIP CHAPERONE POLICY

Parents may be asked to attend field trip outings with their children to help with supervision. All students are under the direct supervision of the school employee in charge of the activity. Teachers try to accommodate parents who want to attend field trips, however for obvious reasons not every parent can attend every time there is a field trip. The teacher will select the number of parents needed and notify the parents who will attend. Parents who are selected as chaperones are under the direction of the teacher(s) in charge. Specific written expectations, rules and instructions will be reviewed with parent chaperones prior to departure. Parents who are not selected should honor the space, time and educational decision of the teacher and not show up on their own at the field trip destination. Parents must understand that field trips have a purpose and are educationally planned. Field trips are designed for specific grades and specific reasons. Parents are asked to keep younger and older siblings of their student at home during the field trip.

Parent Volunteer Chaperones or Drivers

Brittan School encourages parents to volunteer at our school. Depending on what type of volunteering you provide determines whether or not you will be required to be fingerprinted.

1. A person who provides volunteer assistance in the classroom, under the direct supervision of the teacher, **DOES NOT** need to be fingerprinted.
2. A person who provides volunteer assistance on ANY field trip **MUST BE FINGERPRINTED** and clearance given by the administration prior to the activity.
3. A person who transports students in their personal vehicle for various activities including sports **MUST BE FINGERPRINTED** and clearance given by the administration prior to the activity.

***Please note that the one time fingerprinting will be valid for both drivers and chaperones.**

ATTENDANCE

Starting July 1, 1998, schools are funded pursuant to the number of students in attendance each day. ALL absences are considered unexcused for state accounting purposes. **When a student is unable to attend school, parents should:** call 822-5155, ext. 333 to leave a message on the absence hot line or call the office. If it is impossible to call, please send a note with your child when he/she returns which states the student's name, date(s) of absence and the reason for the absence.

ABSENCES

California State Education Code Sections 46010-46015 and Brittan School District Policy recognize the following as acceptable absences.

- Illness
- Appointments with doctors/dentists
- Attendance at funeral services of immediate family members
- Quarantine directed by appropriate health officer

If a parent does not call or students do not bring a note signed by a parent or guardian stating a reason for the absence; students will receive an unverified absence. Unverified absences not cleared will become permanent unexcused absences after 5 days.

Unexcused absences of 30 minutes or more after school begins and before school ends without a valid excuse are considered to be a truancy. All absences from school for reasons other than those stated above are unexcused.

INDEPENDENT STUDY

If a student is going to be absent for five consecutive days or more, parents may request an Independent Study packet from the office. **Requests must be made in the office one week in advance.** Independent Study will only be approved for those students receiving average or above grades. Upon return to school, the completed Independent Study packet must be returned to the office. Any uncompleted work will cause no credit to be issued and the absences will become unexcused. Parents are cautioned that independent study is not a total substitution for being in school and can possibly have negative effects on participation and academics.

The Dress Code

The Governing Board believes that appropriate dress and grooming contributes to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. **Students have the right to make individual choices from a wide range of clothing and grooming styles, but they must not present a health or safety hazard or a distraction, which would interfere with the educational process.** Students and parents/guardians shall be informed about the school dress code at the beginning of the year and when revised. Students wearing inappropriate clothing will call their parent immediately. If the parent is not available to immediately bring a change of clothes, the student will be returned to class, eliminating loss of instruction time and they will wear school provided clothing (if available), otherwise the student will be sent to In-House until suitable clothing is provided. The following guidelines shall apply to all regular activities:

Progress reports are issued to fourth through eighth grade students twice during each trimester. Emphasis will be placed on standards based instruction. Parents of students in the 4th – 8th grade will have access to their child's academic progress via the parent portal. Class assignments, tests and general progress can be viewed via the parent portal. Parents are encouraged to utilize this resource to better understand their child's academic standing in each class. Contact the office for more information.

The school provides bike racks for parking bicycles and scooters. These are located at the west end of the cafeteria building for 4th-8th grades and between the Kindergarten and primary building for TK – 3rd. It is highly encouraged that all bikes be registered at the Sheriff's department. The school assumes no responsibility for bicycles. However, provisions have been made to safeguard bikes and scooters by requiring them to be properly parked and **locked** in the school bike racks. **Skateboards may NOT be brought on the school grounds.** Students who violate this policy will have their skateboard confiscated until the parent comes to the office to claim it.

Bicycles, skateboards, roller blades and both motorized and non-motorized scooters are NOT to be ridden on the school grounds at any time.

BUS CONDUCT

Bus transportation is provided as a service to parents. Riding the bus is a privilege.

The following rules have been established in order to insure the safety of all students who ride the bus:

- Students are required to obey the bus driver at all times.
- Use only the bus and bus stop assigned.
- Orderly behavior is required at the bus stop.
- Remain seated, facing front, when the bus is in motion.
- Talk quietly, no unnecessary noise or profanity.
- Do not talk to the driver unless it is necessary.

Any violations of the above rules will be brought to the attention of the Vice Principal. Parents will be notified and the student could be suspended from riding the bus for one or more days. Continual abuse of bus privileges will result in the denial of transportation.

Students requesting to ride the bus home with another child must bring a signed note from a parent to the office before school starts on the day they wish to ride the bus. A parent contact number must be included so the office can verify the request.

BUS ROUTES

Students living at least one mile from Brittan School will have bus privileges and those students living north of Butte House Road and west of Acacia. Bus routes and stops are carefully planned and established by the school administration and the bus company each year to avoid unnecessary stops and consolidate as many stops as possible. Safety, economy and allocation of resources are also some of the considerations that must be evaluated in determining bus operation policies. Morning bus riders are to be at the bus stop **(5) minutes** before the scheduled arrival of the bus. Students will be dropped off at bus stops only. No student is permitted to get off at any stop other than his or her own without prior written permission from a parent/guardian and cleared through the office the morning of the change. Students and parents are encouraged to notify the school immediately of any safety hazards that they have observed during bus operations. Parents who wish to make requests for changes in routes or stops must contact the school. If your child rides the high school bus, he/she will be required to wait for the bus in a school designated area.

WAITING ROOM

There are two afternoon Bus Routes that DO NOT make the same stops, in order to accommodate those students that have to ride the second bus based on their stop only being available at that time, we have created a Waiting Room for 2nd Bus Riders that get out of school at 2:10.

CAFETERIA

Brittan School offers a breakfast and lunch program to all students. Brittan School participates in the Federal and State supported programs that provide free and reduced meals. Families that are eligible and wish to participate in a subsidized meal program may complete an application at any time during the school year. Eligibility of the application is based on formulas developed by the State of California. **Breakfast is served each day between 7:50 and 8:10 a.m.**

The on-line system provides you with up to date information on when your child has made purchases and account balances. An email account is required. **Contact the school for more information.**

If you wish to bring treats to your child's classroom for birthdays or various parties throughout the school year, we ask that they be store bought packaged items. A few things to remember: check with your child's teacher prior to bringing anything to the classroom and inquire as to the possibility of any child having a food allergy.

CLOSED CAMPUS

Brittan School has a closed campus policy. Students may not leave the school grounds from the time they arrive on campus until they are dismissed (including lunch) unless a parent or other adult, specified on the student's emergency card, signs the student out at the office. The student must be signed out at the time they are leaving and must be accompanied off school grounds by an adult. Upon returning to school, the student must be signed in by the parent or guardian. Bus riders may NOT leave the campus any time after the bus arrives at school in the morning or before it leaves in the afternoon.

COMMUNICATION

The Brittan School Staff works hard to keep lines of communication open between the school and parents. A monthly newsletter with important dates, information and announcements will be posted on the schools web page at www.brittan.k12.ca.us. Occasionally Brittan School also mails out a newsletter during the year. Parents who need further information or a copy of the newsletter should contact their child's teacher(s) or the office. If you should have a concern regarding your child's performance, or a specific event which occurred at school:

1. Talk first with the teacher, as she/he has the most direct contact with your child and is probably the person most aware of the situation.
2. Talk with an administrator. Administrators have information about school-wide or district issues and can also assist if a problem cannot be resolved by the teacher.

COMPLAINT PROCEDURES

Any parent or pupil who has a complaint against any employee, any policy or materials of the District, including complaints of sexual harassment, may ask to discuss the matter with an administrator. If a complaint cannot be resolved, a complaint procedure packet may be obtained from the District Office.

DANCES

Dances are held throughout the school year for students in the seventh and eighth grades. A student is eligible to attend dances if he or she has above a 2.0 GPA and no "F" grades at the end of the most recent grading period. Students must attend all classes on the day of the dance. Any exceptions must have prior approval from the Brittan Elementary School Administration. All dances will be chaperoned by an administrator along with a combination of teachers and parents. Parent chaperones are responsible to actively supervise students, serve food, circulate throughout the event and monitor the exits. Students are required to have a signed permission slip in order to attend the dance and a parent or parent designee must sign the student out at the end of the dance. Once a student enters the dance, they may not leave the building without permission. Seventh and eighth graders who wish to bring a guest must complete a pre-registration form in the office 48 hours prior to the event for administrative approval. The guest must be a seventh or eighth grader. (Guests are NOT allowed at the graduation dance). All detention must be served prior to the dance. Standards of behavior and dress code will be the same as those for any other school activity. If a student is removed from a dance due to misbehavior he/she may be disqualified from attending the next dance.

DEVICE AGREEMENT

DEVICE AGREEMENT

Brittan Elementary School District

ELECTRONIC DEVICES

Electronic devices are NOT allowed at school. The school will not be responsible for lost, stolen or damaged phones, electronics, etc.

Device Handbook and Agreement

Overview/Introduction

Students in need of remote learning can be issued a device for their educational use. If reasonable precautions and care are taken in the use of the device, the laptop should not experience physical damage. Each parent/guardian should review this form carefully with their child.

All devices issued to students are to be used to access remote learning and other educational uses. Students are expected to follow the guidelines below and take precautions to protect the device. Students are responsible for taking care of the device.

The goal of this Distance Learning Device Handbook and Agreement is to ensure that parents and students have an understanding of the use of technology, as well as the accompanying policies and procedures in order for students to be successful.

By accepting this equipment, I agree to ensure that my child adheres to the following:

Usage Guidelines

In general, all students are expected to use good judgment and common sense; be safe, appropriate, careful and kind online; not attempt to get around technological protection measures; and ask an adult if they need help.

Guide to Safe and Responsible Student Internet Use

1. This District device is for educational purposes only. Below is a series of suggestions drawn from a wide variety of professional sources that may aid you, the parent, in effectively guiding your child's use of the device.
 - a. Use of a technology device provides an exciting learning opportunity for your student(s); participate with them as they learn how to use such instructional tool(s) to enhance their educational experience.
 - b. While the school system will provide Internet content filtering for the security of your student, there is no substitute for parental supervision. Be knowledgeable of where your child goes online.
 - c. Parents should ensure that their child is familiar with and adheres to the Internet policies and guidelines set forth by the Brittan Elementary School District (BESD).
 - d. Encourage your child to use and store the device in an open and safe area of your home, such as the kitchen or family room.
 - e. Parents should review this handbook with their child/children.

Internet Access/Filtering

1. As required by the Children's Internet Protection Act, a current content filtering solution is maintained by the District. This is a "good faith" effort to block inappropriate content, but the District cannot guarantee that access to all inappropriate sites will be blocked. It is the responsibility of the user and parent/guardian to follow guidelines for appropriate use of the network and the Internet. BESD will not be responsible for any problems experienced while on the Internet. Use of any information obtained through the Internet is at the user's own risk.
2. While our Internet content filter will continue to filter content outside the BESD network, it is the responsibility of the user and parent/guardian to follow guidelines for appropriate use of the Internet.

3. Attempting to disable or circumvent BESD's Internet content filter and firewall, including using or attempting to use proxies to access sites that would otherwise be restricted is not permitted.

Copyright

Compliance with federal copyright law is expected of all. "Copyright" is legal protection for creative intellectual works, which is broadly interpreted to cover just about any expression of an idea. Graphics, art, photographs, music, and software are examples of types of works protected by copyright. Copying, distributing, downloading, and uploading information on the Internet may infringe the copyright for that information. Utilizing sites selling written papers, book reports, and other student work or any act of plagiarism is not permitted.

Usage Guidelines/Discipline

Unacceptable use includes, but is not limited to:

Network activities

- Illegal activities, including copyright violations
- Gaining unauthorized access to any network resources, logging in as system administrator or bypassing BESD content filter or firewall

Content and Software

- Accessing inappropriate or non-educational websites
- Installing software applications that are not approved by the BESD

Security

- Using another person's login credentials or sharing passwords
- Vandalizing or tampering with any equipment or software

Physical Hardware

- Attempting to repair, remove or install hardware; opening the laptop to access internal parts
- Writing, drawing, painting, defacing or placing stickers or labels on a school-owned laptop

Student Conduct

Cyberbullying in any form is unacceptable. Students will not engage in any cyberbullying activity. In situations in which cyberbullying originating from a District managed device is brought to the attention of school officials, any disciplinary action will be based upon whether the conduct is determined to be so disruptive that it markedly interrupts or severely impedes the day-to-day operation of the educational process. Such conduct includes, but is not limited to, threats, or making a threat on or off school grounds, to harm a member of the school staff or a student. Discipline for cyberbullying will be handled on a case-by-case basis as deemed appropriate by the school administration. In addition, when any kind of threat is communicated or when a hate crime is committed, it will be reported to local law enforcement.

Terms of the Device Loan

Damage

1. BESD will make every effort to repair the damaged device. School administrators will report the damage to the technology department who will then make a full damage report and repair cost estimate.
2. The student and/or the student's parent/guardian shall be responsible for compensating the school District for any losses, thefts, or damages to the laptop. The student and/or parent/guardian is liable for repair/replacement costs resulting from damage and/or neglect as outlined in this document. The purchase price of the laptop is 350.00 and the charger replacement cost is \$50.00. Compensation for loss or destruction of each laptop will not exceed the purchase price.

Appropriation

Failure to return the property at the designated times and/or the continued use of it for non-related school purposes may be considered unlawful appropriation of BESD's property.

Expectation of Privacy for Student Chromebook

Chromebook/laptops are considered the property of BESD and are not subject to the same privacy expectations as private property.

BESD will monitor the device in the following ways:

1. Teachers and administrators will monitor use to ensure the devices are being used for educational purposes only.
2. All Internet traffic will pass through the content filter. This filter will block and log attempts to access inappropriate material.
3. Students can only login to the devices with their BESD account. Any attempt to change this will be seen as a violation.
4. Restrictions on the device will block the student from certain functions. Any attempt to circumvent these restrictions will be seen as a violation.

General Care of the Device

- Students are responsible for the device. Always keep it in a secure location.
- Always close the lid before moving and/or transporting your Chromebook/laptop; do not close the lid with objects inside the Chromebook/laptop.
- Liquids, food, and other debris can damage the Chromebook/laptop. You should avoid eating or drinking while using the Chromebook/laptop.
- Take extreme caution with the screen. Avoid picking up the device by the screen.
- Never attempt to repair or reconfigure the Chromebook/laptop.
- Take care when inserting cords, cables, and other removable storage devices to avoid damage to the Chromebook/laptop ports.
- Do not write, draw, paint or place stickers/labels on your Chromebook/laptop.

Cleaning Your Device

- Always disconnect the device from the power outlet before cleaning.
- Never use liquids on the device screen or keyboard.
- Clean the screen and touchpad with a soft, lint-free cloth or use anti-static screen wipes.
- Wash hands frequently when using the Chromebook/laptop to avoid build-up on the touchpad.

Reporting a Damaged Device

To report damaged devices, contact the school office within 72 hours of damage. Lost or stolen devices need to be reported to the school administration as soon as possible.

Return of Device

This device is being loaned for the student's use during remote learning. This device is the property of the BESD. This device must be returned when on-site learning resumes.

Parent Approval and Agreement

Acknowledgement of the Parent – Student Handbook means that you have read and agree to the terms of the BESD Device Handbook and Agreement. I understand my responsibilities as a parent/guardian. Violation of this agreement will be subject to loss of use of all devices.

EMERGENCY INFORMATION

It is important that every student maintain an up-to-date address and home telephone and/or work number as well as an emergency phone number in the office. At the beginning of each school year, each child will bring home an enrollment form so that you may update the information and return it to the school. No one other than the names you specify on the emergency card will be allowed to pick up your child for any reason unless this has been pre-arranged through the office.

GIFTS, FLOWERS, BALLOONS

Students will **NOT** be allowed to receive flowers or balloons in their classrooms for birthdays or other occasions.

Anything delivered to the school will be kept in the office and students will be notified to pick up the items at the end of the day.

HALL PASSES

All students are required to have hall passes whenever they are out of class during instructional time, this includes walking to the restroom or to the office.

HOMEWORK, MAKEUP WORK - Brittan School District Homework Policy

Brittan School District believes that homework serves many different purposes. Homework and assignments are designed to reinforce classroom learning objectives, meet individual student's needs and abilities and help students to become lifelong learners.

The average amount of nightly homework varies with each grade level as follows:

TK	10 to 15 minutes
Kindergarten	10 to 15 minutes
Grades 1 and 2	20 to 30 minutes plus 20 minutes of reading
Grades 3 and 4	45 to 60 minutes plus 20 minutes of reading
Grades 5 and 6	60 to 90 minutes plus 20 minutes of reading
Grades 7 and 8	90 to 120 minutes plus 20 minutes of reading

Board Policy #6154

The purpose of homework is to reinforce, extend and enrich skills and ideas introduced in class. It is the professional responsibility of the classroom teacher to communicate their homework policy to parents and students, and will ensure it aligns with the Brittan School District Homework Policy. Teachers will establish written policies concerning make up work for their classes. During a student's extended absence, it is the parent's responsibility to request missed assignments. It is important for parents to communicate with teachers as to when the missed work needs to be completed.

INSURANCE

Brittan School District does **NOT** provide medical insurance coverage for school accidents. This means that parents/guardians are responsible for their child's medical bills as well as any ambulance services if he/she gets hurt at school or during school activities. Information will be sent home with the first day packet where parents may purchase a private insurance plan through Myers-Stevens-Toohey.

INTER DISTRICT TRANSFERS

The board reserves the right to revoke a student's inter district transfer at any time. Reasons for revocation may include, but are not limited to:

- Student misconduct
- Failure of the student to maintain satisfactory attendance:
Having more than eighteen full/partial days of absences within a school year, including a combination of full days of absences, partial days of early/mid-day check outs and/or tardies, excused or unexcused.

- Failure of the student to maintain grades of “C” or better in all core subject areas (“D,” “F,” “Incomplete,” or “No Mark” are all considered unsatisfactory grades.
- Students must be picked up within 20 minutes of dismissal time.

A student who engages in misconduct for which he/she could be recommended for suspension or expulsion as described in the Education Code will have his/her transfer immediately revoked and shall be transferred to his or her district of residence.

LIBRARY

Each class has a scheduled time to visit the library during the week. Students are responsible for each book that they check out. Students will be required to pay for lost or damaged books. Students who do not return books on time or pay for lost books may lose library privileges.

LOCKS and LOCKERS

Students are responsible for all items in their lockers. The school provides locks at the beginning of the year for 6th, 7th and 8th grade students. Homeroom teachers will issue lockers. Students should make sure their locker is locked at all times. They should not share lockers or combinations with anyone other than their assigned locker partner. For safety reasons, personal locks may **NOT** be used on school lockers. Locker inspections may be made at any time. Locks must be returned at the end of the school year. A \$5.00 fee will be charged for a lock replacement should a student need a new lock. **Food or beverages should NEVER be stored in lockers.**

LOST AND FOUND

All clothing should be labeled with the student’s name in order for it to be returned if found. The school is not responsible for possessions that are lost or stolen.

MEDICATION

Staff members are not authorized to administer any medication to students, including over the counter medications. No treatment beyond assisting a student to clean a minor wound and placing a bandage on the wound will be provided. No treatment for infections or illness can be provided to students. Students who feel ill during the school day may call their parent/guardian. Students are NOT to have in their possession any type of medication (prescription or non-prescription). Students who are required to take medication during the school day must provide the school with written authorization from their doctor. All medication will be stored securely in the front office. Records will be maintained as to the time and date that a dose was taken.

MINIMUM DAYS Dismissal time on minimum days is 1:30 p.m.

Minimum days are held on the last Wednesday of each month except during November & December. Staff trainings often take place on minimum days. Teachers use minimum days to conduct grade level meetings for coordinating curriculum, standards based grade assessments, progress reports & report cards.

Minimum days are also used for parent conferences. Busing on minimum days may not always be possible and parents are responsible for making arrangements for transportation. **Students must be picked up within 20 minutes of dismissal time.**

PARENT/TEACHER CONFERENCES

Requests for conferences can be arranged by appointment at any time. Parents are encouraged to make contact with the teacher(s) if there are any questions. Teachers routinely schedule fall conferences for every student at the end of the first trimester.

PHONES

Classrooms are equipped with telephones for teachers to return calls to parents or responding to emergencies. All staff members have a voice mail and will return messages as soon as possible.

Occasionally during the school year, photographs of students participating in instructional and/or school related activities (sports/student of the month/group photos) may be published in the newsletter or placed on the school website. If you wish that your child's photograph NOT be used, please contact the office.

SCHOOL COLORS AND SCHOOL MASCOT

The Brittan School mascot is the bear and the school colors are red, black and white. We encourage our students to identify with these symbols as a representation of our school pride and spirit! School color day will be held every Friday and all students are encouraged to participate by wearing red and white clothing or a Brittan shirt (made available for purchase periodically from the parent club).

SCHOOL OFFICE

Occasionally students will find it necessary to enter and conduct business in the school office. Students must follow the directions of the office staff. The office is a place of business and is not to be used as a hallway. The office telephone is a business phone and only to be used by students for illness or an emergency. Students are not allowed to use the phone to make personal arrangements or call home for forgotten items such as homework or lunches.

SCHOOL PICTURES

Individual school pictures will be taken in August. There is no obligation to purchase pictures. There will also be a make-up day for those students who are absent on the initial picture day (Date and time to be announced).

SECURITY/VANDALISM

Our school and equipment are public property. Willfully damaging or destroying school property is cause for immediate suspension and possible expulsion. Students and their parents must also reimburse the school all costs to make the repairs including supplies and labor. Outside security cameras are used to help maintain a safe campus. Cameras are located in high traffic areas along with vandal prone areas.

TEXTBOOKS/CHROMEBOOKS/CHARGERS

Textbooks, Chromebooks and Chargers are assigned by the teachers. Every textbook **MUST** be covered and have the student's name clearly listed on it. Any items left on walkways, outside or on the hall floor will be confiscated and students will receive a detention. If a school issued textbook, Chromebooks and Chargers is lost, misused, or damaged the student shall pay for the cost of the item's replacement.

TOBACCO FREE CAMPUS

Adults and Students shall NOT possess or use tobacco or any product containing tobacco or nicotine while on campus, while attending school-sponsored activities, or while under the supervision and control of district employees. (See Board Policy 5131.62 Tobacco)

VALUABLES

It is strongly recommended that students leave all valuables at home. The school is **NOT** responsible for any valuables brought to school.

VISITORS

All visitors (non-Brittan students) are required to report to the school office upon entering the campus. Parents are welcome and encouraged to visit the classroom by prior arrangement. Please sign-in and obtain a visitor's pass from the front office during school hours. Anyone without a visitor's pass will be asked to obtain a pass or leave the campus.

WALKING STUDENTS

Students who walk to school should come straight to school. Students should stay out of the roadway and cross only at designated cross walks. Remember the safety rules: walk with a friend and never accept a ride with a stranger. Any suspicious strangers should be reported to the office staff.

YEARBOOKS

Yearbooks are available for purchase by all students. Yearbook orders are generally sold after the Winter holidays for a limited amount of time. Yearbooks are distributed the last week of school.

Statewide Testing Notification

California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:

Smarter Balanced Assessment Consortium Assessments - The Smarter Balanced computer adaptive assessments are aligned with the Common Core State Standards (CCSS). English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.

California Science Tests (CAST) - The computer-based CAST measures students' achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).

California Alternate Assessments (CAAs) - Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors. Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks in spring 2020.

California Spanish Assessment (CSA) for Reading/Language Arts - The optional CSA for Reading/Language Arts in Spanish is aligned with the California Common Core State Standards en Español. This computer-based test allows students to demonstrate their Spanish skills in listening, reading, and writing mechanics.

English Language Proficiency Assessments for California - California will transition from the California English Language Development Test (CELDT) to the English Language Proficiency Assessments for California (ELPAC) in 2017–18. The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students' English language proficiency level and to measure their progress in learning English.

Physical Fitness Test - The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments.
