

## **BRITTAN SCHOOL DISTRICT**

### **Board Policy No. 1240 - VOLUNTEER ASSISTANCE**

The Governing Board recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the school's relationship with the community. The Board encourages parents/guardians and other members of the community to share their time, knowledge, and abilities with students. The Board also encourages community members to serve as mentors providing support and motivation to students.

The Superintendent or designee shall develop and implement a plan for recruiting, screening, and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors and/or make appropriate referrals to community organizations.

The Superintendent or designee shall establish procedures for determining whether volunteers possess the qualifications, if any, required by law and administrative regulation for the types of duties they will perform.

As appropriate, the Superintendent or designee shall provide volunteers with information about school goals, programs, and practices and an orientation or other training related to their specific responsibilities. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that utilize their skills and expertise and maximize their contribution to the educational program.

Volunteer maintenance work shall be limited to those projects that do not replace the normal maintenance duties of classified staff. The Board nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school, do not significantly increase maintenance workloads, and comply with employee negotiated agreements.

Volunteer aides shall not be used to assist certificated staff in performing teaching or administrative responsibilities in place of regularly authorized classified employees who have been laid off. (Education Code 35021)

Volunteers shall act in accordance with district policies, regulations, and school rules. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

The Board encourages the Superintendent to develop a means for recognizing the contributions of each school's volunteers.

The Superintendent or designee shall periodically report to the Board regarding the district's volunteer assistance program.
