Board Policy No. 5133 - Gifts to School Personnel

The Governing Board believes that feelings of appreciation can be expressed in many ways. The Board discourages students and parents/guardians from giving gifts to staff members, and instead encourages them to write personal notes of appreciation. However, gifts to the school or a specific content area or program are encouraged. When accepting gifts, staff should be sensitive to the feelings of other students and use discretion if gifts are opened in front of others.

Date Policy was Adopted by the Board: September 14, 2004
