Board Policy No. 6153 - School-Sponsored Trips

The Governing Board recognizes that school-sponsored trips are important components of a student's development. Besides supplementing and enriching classroom learning experiences, such trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to the outside world. The Board believes that careful planning can greatly enhance the value and safety of such trips.

If the Board allocates funds for school-sponsored trips, individual schools may be provided with budgetary allocations so that they can plan ahead. Special trip expense funds may be established when necessary for fund-raising purposes.

All trips involving out-of-state or overnight travel shall require the prior approval of the Board. Other trips may be approved by the Superintendent or designee.

Principals shall ensure that teachers develop plans which provide for the safety of students and their proper supervision by certificated staff on all school-sponsored trips. Other school employees and parents/guardians also may participate in this supervision and may be asked to attend preparatory training sessions and/or meetings.

The ratio of adults to students on school-sponsored trips shall be at least one to ten. If the trip involves water activities, this ratio shall be revised to ensure closer supervision of elementary grade students, appropriate to their ages.
