

BRITTAN SCHOOL DISTRICT

Board Policy No. 6179 - Supplemental Instruction

The Governing Board recognizes that high-quality supplemental instructional programs can motivate and support students to attain grade-level academic standards, overcome academic deficiencies, and/or acquire critical skills.

Required Supplemental Programs

The district shall offer direct, systematic, and intensive supplemental instruction for:

1. Students in grades 2-8 who have been retained or recommended for retention pursuant to Education Code 48070.5. Sufficient progress shall be determined based on a student's grades and the academic achievement, standardized testing and recommendations from their teacher(s).

In addition, students who do not possess sufficient English language skills to be assessed shall be considered students who do not demonstrate sufficient progress towards passing the exit exam and shall receive supplemental instruction designed to help them succeed on the exit exam.

2. Eligible students from low-income families whenever the district or a district school receiving federal Title I funds has been identified by the California Department of Education for program improvement for two or more years
