

BRITTAN SCHOOL DISTRICT

Board Policy No. 6182 - Opportunity School/Class/Program

The Governing Board shall maintain an opportunity school, class or program to assist students who are, or who are in danger of becoming, insubordinate or disorderly, irregular in attendance, or habitual truants. The purpose of the opportunity school, class or program shall be to help such students resolve their problems in order to be maintained in regular classes or returned to regular classes or schools as soon as practicable.

Students in grades 1 through 8 may be assigned to an opportunity school, class or program in accordance with law.

The opportunity school, class or program shall provide instruction and services designed to meet the needs of enrolled students. To the extent possible, opportunity programs shall provide a low student-teach ratio as well as individualized instruction and assessment.

Students who have satisfactorily completed the prescribed course of study in the district's opportunity program shall be awarded a diploma.
