

Brittan School

Hello Brittan Families and Community Members,

My name is Heather Azevedo and I am thrilled to be your new Superintendent/Principal. I was born and raised in Live Oak, married my high-school sweetheart, Joe, and together we have built a life here in Sutter and are raising our two teenage sons, Jeffrey who will be a Senior, and Hayden, who will be a Freshman at Sutter Union High School. I loved growing up in this area, and when Brittan hired me in the summer of 2003; I knew it would be my forever home.

I began my educational career as an Eighth Grade English teacher. From there I continued to serve our school community in a variety of ways, and it was always centered on passion, dedication, and enthusiasm. I received my Masters in Education; Reading and Literature and then in 2017, I was given the opportunity to grow in this profession and was accepted into the Preliminary Administrative Service Credential Program through California State University, Chico, which propelled me into the Administration side of education.

Brittan is a very special school and Sutter is a very special community. Year after year, our staff continues to go above and beyond for our students and their families. Our school Motto is “Every Student; Every Day,” and I truly believe that whether your child/children walk onto campus, or are seen out and about in the community; our staff show them we really mean what we say and that they matter! I believe in our community and have high expectations for making this a remarkable year.

It's a Great Day to be a Bear!
